

Ecclesiastes 3:10 & 14

MEDITATE ON ECCLESIASTES 3:12-13

Write Verses 12 and 13.

What is the definition of rejoice?

What is the definition of enjoy?

What does it look like to rejoice? Give an example.

Do you find it easy to be grateful? Is there a way you can implement this into your life that would be unique to who God created you to be?

How could you enjoy your life more without changing any situations?

How can we draw a correlation between Ecclesiastes 3 and Psalm 37:4?

Why do you think God created humanity to enjoy the life He has given them? What does this say about God’ s character?

Write down Ecclesiastes 3:11. What is the definition of beautiful? Why do humans struggle so much with God’ s timing?

Do you see feelings as a curse? Why or why not?

Looking at verses 1-8, what is the relationship between our feelings and God’ s timing?
